Dear Colleague,

It gives me immense pleasure to inform you all that the project of construction of RAS officers' Institute (Club House) is being taken up on a war footing now so as to fulfill our long cherished dream at the earliest.

As an initial step, after a series of meetings and detailed discussions with stakeholders and construction experts, our Executive Committee and Building Construction Committee has decided that we take up the project on a labour contract basis so as to save costs and enhance quality. An intensive supervision of this labour contract shall be done by a PMC. Before we proceed with PMC and labour contractor, we are required to dismantle the existing structure and excavate to double basement level where parking and some of the facilities of the proposed institute shall be housed. The tender document for the Dismantling firm is being uploaded separately on this website.

If any reputed dismantling firm known to you is interested in the project, they may be requested to submit the bid for the same at the stipulated place and time.

Thanking you in anticipation.

Yours sincerely,

(Pawan Arora)
